

Meet Ms. Camp

I am very excited to be teaching your amazing children. I received my Bachelor's Degree in Psychology and Social Behavior at UC Irvine. Currently, I just completed my multiple subject teaching credential through Vanguard University and will now be pursuing my master's of education at VU. As a teacher, I look forward to supporting your students throughout their learning journey. I believe every child has the capability to do great things in life and I plan to encourage them to explore their interests while also building fundamental learning skills.

Fun Facts About Ms. Camp

Welcome to Kinder with Ms. Camp

Kinder Teacher

My goal is to foster a safe and positive classroom environment where students feel welcome to be themselves and explore learning!

Kinder Goals

ACADEMICS

- Write first and last name properly
- print most upper and lowercase letters correctly
- Blend and Segment words fluently
- Count to 100 by ones and tens
- Understand addition and subtraction
- Identify 2D and 3D shapes

SELF-GROWTH

- Students will be encouraged to express their feelings
- Students will always try their BEST
- Students will support one another
- Students will BE KIND

Get Involved!

DONATE

- Kleenx
- Hand Sanitizer
- Ziploc Baggies (any size)
- Construction Paper
- Craft Supplies

PARTICIPATE

- Reserve a spot for Mystery Reader- link will be emailed.
- Read with your children
- Engage with their learning at home
- Support the class

Classroom Management

- Love Notes are our main form of classroom management. Students who are showing good behavior and great listening skills may earn a love note. When students accumulate 20 love notes, they get to choose a prize from the treasure box!
- Class callbacks will be used so students will respond when a teacher calls out. One callout we use is when the teacher says "Bippity Boppity", students respond with "BOO!"
- Brain breaks with GoNoodle and Cosmic Kids Yoga will be utilized as well!
